The 32nd EAJS

East Asia Joint Symposium

JSPS Core-to-Core Program Virology Symposium
4D System Development and Regeneration Science Initiative Symposium

Nov 10–13, 2026

DECODING LIFE TO ADVANCE MEDICINE

Program

DAY 1 · NOV 10 (TUE)

14:00–14:10
Opening Remarks

14:10–15:30
PI Session I: Aging, Senescence & Stress Response

15:50–17:30
PI Session II: Virology, Immunity & Infection
JSPS Core-to-Core Program Virology Symposium

DAY 2 · NOV 11 (WED)

09:00–10:20
PI Session III: Cellular Senescence & Tumor Biology

10:35–11:25
YS Session I: Structural Biology & Biomolecular Mechanics

13:00–14:20
PI Session IV: Neurodevelopment & Human Genetics

14:40–14:50
Opening Remarks
4D System Development and Regeneration Science Initiative Symposium

14:50–16:10
Oral Session I: 4D Omics in Development
4D System Development and Regeneration Science Initiative Symposium

16:10–17:50
Poster Sessions

DAY 3 · NOV 12 (THU)

09:00–09:50
YS Session II: Genome Integrity, Infection & RNA Regulation

10:00–11:00
Oral Session II: 4D Omics in Tissue Homeostasis
4D System Development and Regeneration Science Initiative Symposium

11:10–12:00
Ken-Ichi Arai Award Lecture and Ceremony / Special Lecture for 4D system symposium

13:00–13:50
YS Session III: Neuroscience, Metabolism & Physiology

14:00–15:20
PI Session V: Structural Biology & Molecular Pharmacology

15:40–17:00
PI Session VI: Cell Homeostasis & Innovative Technologies

17:20–17:40
Awards Ceremony & Closing Remarks

DAY 4 · NOV 13 (FRI)

08:45–15:15
City Tour

Venue

Convention Hall Oumi, Lake Biwa Otsu Prince Hotel

Otsu, Shiga, Japan

Host Organization

Institute for Life and Medical Sciences, Kyoto University

Organizing Committee

Main Chair
Prof. Hirofumi Shintaku

Co-Chairs
Prof. Mototsugu Eiraku, Assoc. Prof. Akiko Makino, Assist. Prof. Misa Minegishi, Prof. Atsushi Mochizuki, Assoc. Prof. Hiroyuki Mori, Prof. Keiko Nonomura, Assoc. Prof. Masatoshi Ohgushi, Assoc. Prof. Yukihiko Sugita, Prof. Kosuke Yusa

Co-organization

Joint Usage / Research Center for Virology, Stem Cell Systems, and Human Biology

JSPS Core-to-Core Program
"International Research Center Formation for Understanding and Utilizing the Duality of Viruses"

Interdisciplinary Frontier Hub Program
"4D System Development and Regeneration Science Initiative"
